MISSION STATEMENT

Brebeuf Jesuit, a Catholic and Jesuit school, provides an excellent college preparatory education for a lifetime of service by forming leaders who are intellectually competent, open to growth, loving, religious and committed to promoting justice. Fostering a culture of understanding and dialogue, Brebeuf Jesuit seeks and welcomes students from diverse religious, ethnic and socio-economic backgrounds. Students at Brebeuf Jesuit are called to discover and cultivate the fullness of their God-given talents as a responsibility and as an act of worship.

CORE VALUES

Education of the Whole Person
Brebeuf Jesuit fosters the intellectual, spiritual, physical, emotional and social development of every student. Each student is challenged and inspired to strive for academic excellence, to engage wholeheartedly in co-curricular activities, to develop confidence in leadership abilities and to discover God’s presence in everyday life. As students grow in each of these areas, they become more able to share their unique gifts as men and women for others.

A Caring and Diverse Community
Brebeuf Jesuit believes that the authentic development of each student unfolds within a safe and supportive environment. Rooted in the Catholic tradition and guided by its Jesuit heritage, the Brebeuf community embraces the fullness and diversity of creation, accepts and respects all people, and encourages genuine interreligious and intercultural dialogue. Brebeuf Jesuit’s ultimate goal is that every student will journey through life with the confident assurance of a personal friendship with a loving God.

The Greater Glory of God
Through intellectual pursuit, prayerful discernment and generous service, Brebeuf Jesuit strives to give students the foundation, the skills and the will to make the world more just, humane and loving. All are called to a holy boldness – to do all things for the greater glory of God.
THE CHARACTERISTICS OF THE GRADUATE AT GRADUATION

Intellectually Competent
The Brebeuf Jesuit graduate exhibits not only a mastery of the academic requirements for college admission, but he or she has also developed analytical skills and intellectual abilities that go beyond the academic requirements for advanced education. The graduate has begun to think independently and critically, and he or she applies this intellectual ability in his or her personal quest for religious truth and in his or her response to issues of social justice.

Open to Growth
The Brebeuf Jesuit graduate has matured—emotionally, intellectually, socially, physically and religiously—to a level that reflects personal responsibility for his or her own growth. The graduate is beginning to reach out in his or her development, seeking opportunities to stretch his or her mind and imagination, his or her feelings and religious consciousness. There is a willingness to encounter, appreciate and learn from people of diverse backgrounds and experiences. There is recognition that learning is a lifelong endeavor.

Loving
The Brebeuf Jesuit graduate is well on his or her way to recognizing and accepting his or her self-worth. The graduate is moving beyond self-interest or self-centeredness in relationships with others. He or she is beginning to risk some deeper levels of relationship in which he or she can disclose self, accept the mystery of other persons and love them.

Religious
Brebeuf Jesuit is a Jesuit, Catholic educational ministry that has a commitment to ecumenism and inter-religious dialogue. In this rich educational environment, the Brebeuf Jesuit graduate has begun to explore his or her personal religious experience, has started to integrate more fully into his or her own religious community, has engaged in the study of and dialogue with the religious traditions of others and is striving to embody his or her faith in the service of justice as a man or woman for others.

Committed to Promoting Justice
The Brebeuf Jesuit graduate has developed broad knowledge and understanding of the many needs of local and wider communities and is preparing for the day when he or she will take a place in these communities as a competent, concerned and responsible member predisposed to justice. The graduate has begun to acquire the skills and motivation necessary to live as a man or woman for others; one whose commitment to doing justice will come to fruition in mature adulthood.
JESUIT AND CATHOLIC

Brebeuf Jesuit was founded by the Society of Jesus in 1962. The Chicago-Detroit Province continues to send Jesuits to Brebeuf, to appoint Jesuits to serve on the Board of Trustees, and to grant Brebeuf the ability to operate as a work of the Society of Jesus through a regular review process.

The Jesuit educational philosophy is grounded in the Catholic intellectual tradition that affirms the goodness of creation, the important role of the human intellect in the search for truth, the possibility of discovering God in human experience through rational reflection on experience, the compatibility of faith and reason and the moral value of intellectual excellence.

That philosophy is also grounded in the Catholic mystical tradition: God is present in every aspect of human life, inviting people of good will to faith and fullness of life. We invite our students of the Catholic tradition—and all other traditions—to seek God in their experience and to share their experiences of God with one another, including those of other religious traditions.

While remaining faithful to our Catholic and Jesuit roots, Brebeuf invites those of other religious traditions into full participation in the life of the school. We recognize that to be Catholic today is to be committed to inter-religious dialogue (dialogue with non-Christian religions) and ecumenical dialogue (dialogue with other Christian denominations).

All religious traditions are welcome at Brebeuf Jesuit.
BREBEUF FAQs AND ANSWERS

Absences and Appointments
Call the Dean’s Office (317.524.7118) between 7:45-10:00 a.m. if your student will be absent. Early dismissal requests for appointments must be accompanied by a parent’s note and a dated and timed excuse. Students must sign out from the Dean’s office. Students who become ill during the school day must report to the Dean's Office.

Convo Dress
A modest, clean, and appropriate appearance is expected. Convo Dress is worn all day, not just during the special event. Specifically:

- Boys: Dress shirt, dress pants, dress shoes, tie and belt.
- Girls: Dress, skirt, (must touch the knee) or dress pants with an appropriate top, and dress shoes.

Drop-off Procedure
Enter via Main Entrance, turn left and drive as far eastward as possible before dropping off your student(s). Please exit via east end driveway. The East Gym Lobby door opens at 7:00 a.m. and the Information Commons opens at 7:30 a.m. Students may only enter through the East Gym Lobby throughout the school day and must show their Brebeuf Jesuit Student ID.

JUG (a Jesuit-school term, acronym for “Justice Under God”)
Similar to detention; JUGs are held from 3:30-4:30 p.m. on school days. JUGs may be assigned and served on the same day.

Medication
Parents should notify the Dean’s Office of any prescription medications their student is taking. The Dean’s Office neither holds nor distributes medications.

Other School Communications
Brebeuf Jesuit sends out a weekly online newsletter, InDepth, that comes out every Thursday. You will automatically receive it according to the email address you registered with or you can email the Director of Marketing and Communications, Mike Higginbotham at mhigginbotham@brebeuf.org, and he will add you to the distribution list.

Visitor Parking
Parents should park in the Visitor’s Lot in front of the school if they need to come to school for any reason between drop-off and pick-up times. All numbered spaces (including those along the soccer practice field) are reserved for faculty, staff and administration.
**Pick-up Procedure**
The school day ends at 3:15 p.m. with the Daily Examen. Enter via the Main Entrance, turn left and park, forming a line along the curb beginning at the furthest east open spot, as far possible toward the gym entrance to the school; a double line of cars will form. This will help alleviate backup and help traffic flow quicker and more smoothly. Exit via the east driveway. Students may exit the building through the gym lobby only. Please do not stop in front of the Main Entrance or make u-turns.

**Spirit Store**
Located in the west wing main floor, students may purchase basic school supplies at the store. Hours of operation are from 9:00 a.m. - 1:00 p.m., Monday through Friday. The Spirit Store will be open just prior to and throughout Back-to-School Night and other special occasions. Check the InDepth newsletter for added times to particular events.

**Mark G. Kite Wellness Center**
The Wellness Center will be available for all students, Monday-Friday, from 7am – 5pm, only when it is staffed by a Brebeuf Jesuit faculty or staff member.

Brebeuf Jesuit Athletics and the Brebeuf Jesuit Administration reserve the right to further limit access to the Wellness Center as needed.
ACADEMIC INFORMATION AND POLICIES
(A full listing of available courses may be found in the Course Catalog)

The minimum course load for sophomore, junior, and senior students is six classes per semester. Freshmen must take seven classes.

The school-wide grading scale is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>93-100</td>
</tr>
<tr>

</tbody>
</table>

Rounding of percentage grades is at the discretion of the policy of each individual teacher, or the academic departments if there is a departmental rounding policy.

Letter grades A through D reflect a quality of performance that ranges from excellent to minimally acceptable, respectively. The grade of F represents an unacceptable level of performance. When a student fails a year-long or one-semester course that is required for graduation, they must retake the course. The original grade of F, however, will not be removed from the student’s transcript. Options for retaking a failed course include the following:

1. Completion of an approved, equivalent course taken at an accredited summer program (such as a local public school or online).
2. Completion of an equivalent college-level course at an accredited university (original transcript must be provided at the completion of course in order to have the grade appear on Brebeuf Jesuit transcript)
3. Retaking the course at Brebeuf in a later semester

When an F is received in the first semester of a course such as Algebra I, Algebra II, Geometry, French, Spanish, Chemistry, Physics, or English (i.e., year-long courses with content that builds from basic to more advanced learning), the student may remain in the second semester only through special arrangement made by the student’s counselor and based on the advice of the teacher. If a student fails the first semester but receives a passing grade for the second semester of these types of year-long courses, the first semester grade will be changed to a D-.

A student may not retake a course at Brebeuf for credit, that was previously taken and passed, because a student cannot receive credit for the same course twice. If a student retakes a course outside of Brebeuf (for example, online), the resulting grade will not replace the Brebeuf grade, will not receive Brebeuf credit, and will not affect the student’s GPA.

Grade Point Averages (GPAs) are assigned according to the following numerical values:

Sum of total/Sum of credits = GPA 25.84/7 = 3.69

An “Honors” designation is awarded to those students with averages of 3.50 through 3.74.

A “High Honors” designation is awarded to those with averages of 3.75 through 3.99.

A “Class Honors” designation is awarded to students with averages of 4.0 or better.

Graduation Honor status determination is based on a student’s cumulative GPA.

**Academic Probation**

Academic Probation is enforced as Brebeuf Jesuit students are required to maintain a GPA of 2.0. Students with a GPA below 2.0 at a semester grading period will receive a warning. If in a subsequent semester, this student’s GPA is again below 2.0, he or she will be placed on **Academic Contract** stating that the student will have to leave the school if his or her GPA again falls below 2.0 at the end of the semester. The Principal may also, at his or her discretion, place a student on academic contract at any time because of poor academic performance.

Any student who is not permitted to continue the second semester after failing a course, and therefore cannot meet the six-class minimum course load, will be dismissed from school. Any student who fails three or more courses in a school year will be dismissed.
**Grades of “I” for Incomplete**
Grades of “I” for Incomplete may be given in rare situations upon approval of the teacher and the Principal’s Office, where some portion of the class work is not completed due to extenuating circumstances. Incomplete grades must be rectified by the beginning of the following semester.

**Eligibility**
A student who is not passing at least five subjects in any marking period becomes ineligible in IHSAA athletics for that and the entire following quarter. The student will also be ineligible for participation in any co-curricular programs until such time that the Principal is advised the student is passing five classes. A student’s eligibility will not resume prior to the end of the next grading period.

**Extended Time**
Extended Time for tests is made available for a Brebeuf Jesuit student who has a written report concerning the nature of the learning disability or physical condition that necessitates extended time testing and must be filed with the student’s Academic Counselor. This report and recommendation may come from a psychologist, physician or learning disabilities specialist and must be updated every three years. (Brebeuf Jesuit uses the criteria that the College Board outlines to determine eligibility for extended time PSAT or SAT testing.) Copies of the College Board guidelines may be obtained from the student’s counselor. All students who qualify for extended time testing through the College Board are expected to use extended time testing for exams (finals) in order to maintain eligibility for extended time on standardized tests (SAT, ACT, etc.).

Students enrolled in Brebeuf Jesuit’s Learning Center are scheduled for one period each day to receive support services. Learning Center students may take some of their routine tests and quizzes in the Learning Resource Center or may take them with the rest of the class under the supervision of the classroom teacher. In either case, extended time should not exceed one-and-a-half or two times the normally allotted time for the tests. (The recommendation on the individual’s report determines the amount of extra time the student is allowed.) Students who are not enrolled in the Learning Center but who have a documented need for extra time for tests will take tests and quizzes under the classroom teacher’s supervision, or in our testing room. In this case, extra time should not exceed one-and-a-half or two times the normally allotted time for the test.

**Class Scheduling**
Students will be contacted by their Academic Counselor regarding how to make an appointment for their individual conferences. In these conferences, the student’s four-year plan will be revised and implemented. **These conferences are mandatory for students, and parents are welcome to attend.** Schedule changes may be made on specified dates in the initial days of each semester. To change a schedule, the student needs to meet with his or her counselor. It is the policy of Brebeuf Jesuit not to give preferential treatment with regard to teacher selection.

**Full Senior Year Requirement**

In order to receive the Brebeuf Jesuit diploma, a student must be in attendance at Brebeuf Jesuit during both semesters of his or her senior year.

**National Honor Society**

**Application:** To be considered a candidate for National Honor Society, a student must be be a rising junior or senior, and have earned a cumulative grade point average of 3.75 or better by June 15 of the qualifying year. Candidates for National Honor Society who meet the minimum GPA requirement will be invited to apply. Applications require recommendations from teachers and the Dean’s office. A committee comprised of faculty and staff selects candidates for membership.

**Member Requirements:** National Honor Society members must complete a minimum of one club specified service activity each school year. Moderators and officers will determine qualifying service activities. Members must attend all monthly meetings. In the event of a class conflict or illness, NHS members must complete the appropriate absence form. National Honor Society Members are required to maintain a 3.75 GPA average and be in good standing with the Dean’s office.

**Dismissal:** Members who drop below a cumulative GPA average of 3.75, or neglect to meet the membership requirements, will be placed on probation for one semester and reevaluated for future membership by the selection committee. Students who have been suspended by the Dean’s Office will automatically be placed on probation, pending a review by the selection committee. Students dismissed for violating Brebeuf Jesuit’s code of conduct will not be eligible for appeal or reapplication. Any member found in violation of Brebeuf Jesuit’s drug testing policy will be immediately dismissed from NHS. This includes a positive random drug test. Students with a prior history of drug/alcohol infractions will not be recommended by the Dean.
TRANSFERRING CREDITS INTO BREBEUF JESUIT AND CREDIT BY EXAMINATION

Students That Transfer Into Brebeuf After Attending Another High School
When students transfer into Brebeuf Jesuit after attending another high school, the credits that they earned in their previous schools may be applied to the requirements for the Brebeuf Jesuit diploma. However, only credits for courses which are comparable to courses actually offered by Brebeuf Jesuit are counted toward the Brebeuf Jesuit diploma. When calculating any student's grade point average, Brebeuf Jesuit only weights courses that are designated by course title and description as Advanced Placement, Honors or ACP. Even if the previous school has weighted the grade for a course that is not designated as above, Brebeuf Jesuit will not weight the grade when calculating the student's Brebeuf Jesuit grade point average. All final decisions regarding transfer of credits are at the discretion of the Principal.

Students Who Are Currently Enrolled At Brebeuf
Once a student enrolls at Brebeuf Jesuit, as a general rule, their coursework must be completed here. It is rare for Brebeuf to accept transfer credits for current students for courses taken elsewhere, including other schools or online. If a situation exists in which a current student would like to request that credit from another institution be transferred to Brebeuf credits, permission from the Principal’s Office must be obtained prior to taking the course. Examples of situations in which transfer of credit might be permitted include studying abroad, or taking a summer course which is not offered at Brebeuf in order to make up credit for failure in a Brebeuf course.

Incoming Freshmen Who Are Taking Placement Tests To Place Into Advanced Courses
Credit earned by examination does not count toward the minimum credit requirements for Brebeuf Jesuit or for the Indiana Academic Honors Diploma. The number of credits listed for each department refers to the minimum number of credits they must earn by taking Brebeuf Jesuit courses. For example, if a student earns credit by examination for Algebra I, he or she will still be required to earn six credits of math by taking courses at Brebeuf Jesuit.

Incoming Freshmen Who Have Taken High School Courses While In Middle School
Incoming freshmen who had Algebra II or Geometry in middle school must take and pass a placement exam for those courses in order to receive credit at Brebeuf. Students who receive credit will be given a “P” for the course on their Brebeuf transcript. This credit will not count towards the four years of Math required for the Indiana Academic Honors Diploma. Incoming freshmen who physically took Algebra II or Geometry at a high school and can provide an official high school transcript may bypass their placement exams. These students will receive credit for these courses on their Brebeuf transcript, including the letter grade that was earned for the course. Although credit will be given for the course, and will count towards the credit required for the Indiana Academic Honors Diploma, students still must take at least three years of mathematics at Brebeuf in order to meet the graduation requirement.
**Placement Exams**

A placement exam will be given to those students who have taken French, Spanish, or Latin in middle school to continue studying that same language at Brebeuf Jesuit. Incoming freshmen who physically took a world language course at a high school and can provide an official high school transcript may bypass the placement exam for that language. These students will receive credit for these courses on their Brebeuf transcript, including the letter grade that they earned for the course. Although credit will be given for the course, and will count toward the credits required for the Indiana Academic Honors Diploma, students still must take at least two years of a world language at Brebeuf in order to meet the graduation requirement.
GRADUATION REQUIREMENTS

Brebeuf Jesuit students must earn 50 credits to qualify for the Brebeuf diploma. Most courses offer one credit per semester of study. Forty-four credits must be completed within specified areas of study; the remaining six credits may be completed through elective courses.

Each student at Brebeuf Jesuit is required to take at least six courses for credit each semester. Freshmen must take seven courses. Other students may choose to take more than six courses during a particular semester and are generally encouraged to take seven courses. On rare occasions, some students take eight courses during a semester.

Seniors in their second semester with more than one failing grade towards their graduation requirements will need Principal approval to walk in graduation.

ACADEMIC HONESTY AND INTEGRITY

Brebeuf Jesuit is very concerned with top quality academic performance. We are more concerned, however, that every student sees the tremendous importance of honesty and integrity in these academic pursuits. It is the school’s sincerest hope that everyone understands the notion that no grade, test, or paper is ever worth compromising the slightest measure of one’s personal integrity.

Cheating
Cheating is a dishonest attempt to gain an unfair advantage on homework, quizzes, tests, and other assessments. Such cheating may include, but is not limited to:

- Leaving books or notebooks open during an assessment or test period;
- Using unauthorized crib-sheets, study notes, or other unauthorized materials during, or in preparation for, an assessment;
- Writing information on desktops, hands, legs, arms and/or other parts of the body, or clothing;
- Looking onto another’s test paper;
- Talking with another student during an assessment or test period;
- Writing down answers copied from others when tests/assessments are handed in;
- Talking with students from previous class periods in order to get test questions/answers;
- Stealing, reproducing, circulating, or making use of test materials prior to the test being given;
- The use of technology to retrieve and/or distribute information about an assessment (e.g. test);
- Using class materials from a previous semester/year without authorization from the teacher;
- Handing in a paper or project for credit for two different classes without the approval of both teachers;
- Falsifying information, records, or signatures on class forms (such as documentation of community service, permission slips, other documents requiring parent signatures).

Plagiarism
Plagiarism is the presentation of someone else’s words or ideas as your own. This includes:

- Actual words, oral or written; paraphrased passages of another’s work, oral or written;
- Statistics, facts, programming or illustrative materials from another’s work;
- Another’s ideas, opinions, or theories not considered to be common knowledge.

Any use of another’s work must be properly noted using established attribution and citation procedures such as footnotes, endnotes, or in-text and works cited pages.
**Working Together**

Teachers often advise students to cooperate and work together. However, working together can cross the line into dishonest action. So let it be said, it is a violation of academic integrity:

- To copy answers when working together;
- To copy another person’s work with minor changes;
- To stop attempting to solve a problem on one’s own and simply writing down another person’s solution;
- To provide another student any opportunity to copy your work in any way;
- To give or accept money, gifts, etc. in exchange for another’s academic work, including (but not limited to) completed study guides.

These are instances when working together has crossed the line into dishonest behavior. At Brebeuf Jesuit, the norm is that the student will work alone unless told otherwise by the teacher. Therefore, if students wish to work together, they should always ask the teacher. If the teacher agrees, then it is the students’ responsibility to clarify expectations regarding collaboration and the final product.

When in doubt, always talk to your teachers to find out what is acceptable and what is not. Do not assume that what might be acceptable for one teacher will be acceptable to another.

**Academic and Disciplinary Penalties**

Academic penalties for any of the violations above may include, but are not limited to, a zero for the assignment or exam in question. Disciplinary penalties may include suspension or expulsion.

- First Offense - Class penalty
- Second Offense - One day suspension
- Third Offense - Possible removal from Brebeuf Jesuit/suspension/probation

Complaint Policies for Students

Any person who reports harassment must use the procedure outlined below. Filing a complaint or otherwise reporting harassment will not reflect upon the individual’s status nor will it affect future employment, grades or work assignments. The confidentiality of both the complainant and the accused will be respected, consistent with Brebeuf Jesuit’s legal obligations and the necessity to investigate allegations of misconduct and to take corrective action. The complaint should be reported immediately after the alleged incident.

Complaints about a student must be reported to the Dean of Students, the School Social Worker, the Assistant Principal or the Principal. ATTENDANCE

To report attendance issues call 317.524.7118.

Procedure for Excused Absences
A parent or guardian must phone the Dean’s Office at 317.524.7118 between 7:45-10:00 a.m. on the day of the absence.

All-School Convocations
All-School Convocations are mandatory attendance for all students.

Homeroom
Homeroom attendance is required for all students.

Excessive Absences
Excessive absences (7 days a semester) will result in review by the Dean of Students and may be cause for disciplinary probation. A doctor’s note will be required, citing specific health reasons for extended or excessive absences. Students who accrue 16 absences in a semester from any given class will not earn credit for the class.

Absence Categories
The three categories of absences are:

1. Excused
   a. The student’s absence is attributed to personal illness, funerals, religious observances, field trips or retreats. All work missed is to be made up. The student is responsible for acquiring materials and information missed, with the assistance of the teacher.

2. Permitted
   a. The student’s absence is pre-arranged and is deemed acceptable by the Dean (e.g., college visits, medical or legal appointments). All work is expected to be made up. The student is responsible for acquiring materials and information missed, with the assistance of the teacher.

3. Unexcused
   a. The student’s absence is deemed not acceptable by the Dean. In keeping with the Jesuit charism of cura personalis (care of the person) and the high academic standards of Brebeuf Jesuit, students are expected to adequately complete all work missed due to an unexcused absence. The student is responsible for acquiring materials and information missed, with the assistance of the teacher.
**Regular Class Attendance**

To promote the best possible learning environment for all students and underscore the importance of regular class attendance:

- Students are required to complete and submit all assignments missed due to an absence. Work not completed will be given zero credit.
- Each unexcused absence will result in the deduction of two (2) percentage points from the final overall grade. (Example: if a student with two unexcused absences earned an 86% based on assignments given in class, the student’s final semester grade for the class will be 82%).
- At the teacher’s discretion, alternative assignments may be provided to students who missed activities in class due to absences.
- Points that are directly tied to participation and unique experiences (group activities, concerts, etc.) can only be made up at the discretion of the teacher as explained in the class syllabus.
- Missed work will be made up in a timely manner. Following any absence, all assignments must be complete by school dismissal on the 3rd day after the absence. No credit can be earned after that day.
- A student will not be granted any permitted or pre-excused/arranged absences after the 7th absence (in any one class) within a current semester.

**Important Note:** Parents and students have ten (10) school days to rectify unexcused absences with the Dean's’ Office. After this time, parents must appeal the status of absences with the Principal’s Office. Medical or other documentation may be required.

**Early Dismissal**

Early dismissal requests must be accompanied by a note/phone call from the parent or guardian giving the date, time and reason for the request. The student must sign out in the Dean's Office before leaving the building. Students who become ill during the day must report to the Dean's Office. No student will be dismissed from school prior to the end of the school day, for disciplinary or health reasons, without approval from a parent or guardian.

**Professional Appointments**

For any professional appointment (doctor, dentist and/or counselor) students must present a dated and timed excuse. This excuse is required in order to obtain an admit slip upon return to school. Parents/students are encouraged to schedule such appointments during PRTs and breaks.
**Planned Absences**
In the case of planned absences, parents must notify the Dean at least five (5) school days in advance. (Exceptions are made at the discretion of the Dean.) Parent and teacher signatures will be required for all such absences. College visits also require the approval of the student’s counselor. Absences which extend school vacations require the approval of the Dean five (5) school days in advance of the last school day before the holiday. Planned absence forms need to be picked up by the student after the Dean has approved the absence. Students must then obtain the required teacher signatures and return the planned absence form to the Dean’s Office prior to the absence.

**Absences During Final Exams**
Absences during final exams will be excused only in cases of illness, death in the family, or other emergency, at the discretion of the Principal’s Office. Other absences (e.g. for vacations or other travel) will be considered unexcused. Students who are absent-unexcused from a final exam will be able to take a makeup exam, but will also receive the 2% semester grade penalty for each course in which they missed an exam, in keeping with school policy on unexcused absences. Parents are asked to please notify the Principal’s Office about any absences from final exams.

**College Visits**
College visit trips are cleared through the College Counseling Office and Dean’s Office.

**Tardiness**
Tardiness to class is recorded by the teacher. Students will receive a JUG for each tardy after their second. Any student arriving late for the first class of the day must sign in at the Dean's Office immediately upon arrival. Repeated tardiness will require a parent conference. Excessive tardiness may result in disciplinary probation by the Dean. Seniors who accumulate 10 tardies in one semester will have their senior privileges revoked for the remaining of that semester.

**Leaving Campus**
Leaving campus is permitted at the end of a student’s last class, provided written parental approval is on file in the Dean's Office. Such approval may be revoked by the parents or by the Dean. When a student leaves campus after his or her last class, he or she may not return to the campus for any reason until the end of the school day.

**Senior Privilege**
The Senior Privilege permits seniors to leave campus when they have a minimum of 40 minutes free, provided they have parental permission on file in the Dean's Office. The Dean reserves the right to revoke this privilege.
CO – CURRICULAR INFORMATION

Students are encouraged to organize associations within the school for educational, social, service and intramural in keeping with the mission of the school.

- Proposals for school-sponsored organizations or clubs must be presented to the Dean in writing along with the names of the interested students, the purpose of the club and projected activities. If the proposal is approved, students must arrange for a faculty moderator in collaboration with the Dean. Moderator stipends are generally considered after the club’s first full year.
- Only school-sponsored clubs, organizations or activities are permitted to use Brebeuf’s name.
- Reviews are conducted periodically for all clubs.

Eligibility
Eligibility to participate in any co-curricular activity requires that a student pass at least five classes to be eligible for the current and following grading period.

Club-, Organization-, Class- or Parent-Sponsored Activities
Club-, Organization-, Class- or Parent-Sponsored Activities for students, including fundraising, must be cleared with an Assistant Principal under the following guidelines:

- The student-leader, with moderator support, requests administrative approval of the activity through the Student Activities Planning form found in the Dean's office.
- The student-leader submits the fully completed Student Activities Planning form to the Dean for the purpose of approval in arranging dates, facilities, and supervision for all events.
  - Note: An event is not approved until the Dean has signed the above mentioned form and notified the organization’s moderator.
- Students are responsible for following up with their moderator to receive confirmation of approval of all event requests before beginning any event planning and advertising.
- All student events must be sponsored by approved student organizations.

Printed Materials
Posters and flyers, logos, t-shirts, etc. of student co-curricular organizations must have prior approval of their faculty moderator and Dean.

- Parent groups should request permission and approval from the Assistant Principal.
- Posters and signs hung in the building should be placed in designated areas such as hallways, stairwells, and common areas on bulletin boards. Glass should never be covered with signage.
- Students are responsible for removing their posters and signs as soon as possible after the information becomes outdated. Fundraising by student clubs must be approved by the Dean and the Office for Institutional Advancement.
- Co-curricular groups interested in fundraising should refer to the Moderator Handbook for guidelines. Please note the lead time needed prior to a fundraising event.
**Intramural Activities**
Intramural Activities are supervised by the Dean.

**Student Council**
A leadership-based co-curricular organization, Student Council is made up of members of the student body elected each spring by their peers as representation in the following school year. Student Council members formally represent the student body at the discretion of the Principal’s Office, coordinate and promote student participation in various school related activities and serve as a liaison with faculty, administration and other student organizations as needed. Students not elected to formal office are welcome to join under the distinction of Member-at-Large.

Participation in co-curricular activities at Brebeuf Jesuit is a privilege for those students who are in good standing with regard to academics and the student handbook. A student’s serious academic or behavioral issues will jeopardize participation at the discretion of the Principal, Assistant Principals and Dean.

Any student elected to student government found in violation of Brebeuf Jesuit’s drug testing policy will be immediately dismissed from the council. This includes a positive random drug test.
DANCE/EVENT POLICY

Brebeuf Jesuit typically sponsors three or four dances during the year. Policy guidelines apply to all dances.

Brebeuf Jesuit students may only enter with a Brebeuf Jesuit ID.

Non-Brebeuf Jesuit students will be admitted as a guest of a Brebeuf Jesuit student under the following conditions:

- Purchase of a pre-sale ticket from faculty/staff sponsor or parent designee.
- Parent signature of the Brebeuf Jesuit sponsoring student on a guest form acknowledging the name of the guest and the Brebeuf Jesuit student’s responsibility for the conduct of his/her guest.
- Student ID from guest’s high school or written permission from the administration of another school (a driver’s license will NOT suffice, and no college students will be admitted to any dances, except Prom.)
- Following pre-sale, the guest list will be compiled by the faculty/staff sponsor. After the final guest list is compiled, the moderator will file the completed guest forms with the Dean.
- Guest name must appear on the separate guest list at the door.

A minimum number of 5 faculty and 5 parent chaperones required for an event.

- Chaperones will be enlisted by the sponsoring student group.
- Chaperones will be confirmed by the faculty/staff moderator.

The Dean of Students will employ at least two uniformed Indianapolis Police Department or Marion County officers.

Students who leave the front area of the building will not be permitted to return to the dance. The Dean will instruct the moderators to assign at least one staff prefect to this area and to assign chaperones to monitor the restrooms and the south gym doors. The Prom moderator will assign chaperones similarly.

All infractions should be reported to the moderators or the Deans.

Students determined to be dressed or dancing inappropriately by an attending faculty/staff/administration member may be dismissed from the dance.

All Brebeuf Jesuit rules, regulations and policies apply to Brebeuf Jesuit students as they attend events at other schools.

This policy will be communicated with and reviewed by Student Council as needed and reviewed periodically with staff by the Dean.
DISCIPLINE

Brebeuf Jesuit Preparatory School endeavors to create an atmosphere which fosters academic achievement, personal responsibility and respectful relationships among students, faculty, staff, administrators, families, and other members of the Brebeuf community. Brebeuf Jesuit rules also apply to Brebeuf Jesuit students as they attend events at other schools. Disciplinary matters are confidential and for internal purposes. It is the policy of Brebeuf Jesuit to not disclose student disciplinary records to colleges and universities. Students will be advised to self-disclose the disciplinary infraction when asked on a college application, as it maintains the integrity of their application.

ALCOHOL, DRUG AND TOBACCO POLICY

Alcohol and Illegal Drugs
Alcohol and Illegal drugs, including inhalants, K2, Spice, Salvia, Vapes, E-Cigarettes and other manufactured facsimiles, are not permitted at school or any school related activities, including games, dances, and After Prom. Students who possess or are under the influence of controlled substances/drug paraphernalia will be suspended with the possibility of expulsion. Continued enrollment will be dependent upon the completion of a substance abuse evaluation/treatment by a provider approved by Brebeuf. The Student Advocate will facilitate the referral to a substance abuse treatment provider and serve as liaison between the treatment provider and the Dean. Brebeuf Jesuit also requires a letter from that facility verifying successful participation, which may require signing a release of information form. The student will be subject to disciplinary probation for the remainder of his or her enrollment at Brebeuf Jesuit. A second offense or failure to comply with the counseling and education program will result in expulsion. Those who sell or provide controlled substances will be subject to expulsion.

Inappropriate Use of Prescription Drugs
The inappropriate use of prescription drugs, including possession or use of another’s prescriptions or use of prescription medication that is not in accordance with a doctor’s written or verbal instructions will result in the same consequences as the use of controlled substances. Students are required to report the possession and use of their own prescribed drugs to the Dean’s Office.

Drug and Alcohol Testing
Drug and alcohol testing at a school-designated facility or on-site may be required of students at any Brebeuf Jesuit Preparatory School function on or off campus. Further, students may also be tested universally, at random, or upon suspicion of use with a breathalyzer and/or other testing mechanisms. Students may be suspended until the results of examinations have been made available to the Dean. Students who refuse to comply with testing/temper with the test are considered to have a positive test. Students who test positive for drug or alcohol use during a random test, will be subject to the following disciplinary action:

- First offense - Removal from 10% participation of all scheduled athletic/extracurricular contests/performances, mandatory drug/alcohol assessment/treatment and evaluation (through school social worker).

Brebeuf Jesuit officials reserve the right to search students, their lockers, backpacks, electronic devices, cars or personal belongings while on school property or at school sponsored activities. This action will be
taken if there is a reasonable suspicion of a problem or for the common good of the school. Refusal to cooperate with searches may result in suspension/expulsion.

**School personnel are required to contact the Dean immediately with knowledge of any of the above disciplinary infractions by students.**

In general, potential discipline of Brebeuf Jesuit students by the school is limited to inappropriate or unlawful conduct or activity (including conduct which is inconsistent with Brebeuf Jesuit policies) by the students “at school,” including such conduct or activity on campus, at off campus school sanctioned events (such as dances, proms, games, retreats, field trips or the like) or involving school faculty, staff, administrators, other students or equipment regardless of physical location. While it is the policy of Brebeuf Jesuit not to discipline students for inappropriate or unlawful conduct or activity other than that set forth above, Brebeuf Jesuit reserves the right in extraordinary circumstances to consider certain improper or unlawful "non-school" conduct or activity for potential discipline if it is such that the good order and/or reputation of the school or integrity of the educational process or health, well-being or safety of students, family, faculty, staff or other members of the Brebeuf Jesuit community may be jeopardized.

Accordingly, evidence of such extraordinary, inappropriate, or unlawful student non-school conduct or activity may be reviewed by Brebeuf Jesuit officials and its legal counsel to determine what action, if any, is appropriate in those circumstances. Brebeuf Jesuit’s review of the evidence will be conducted in a confidential manner, consistent with the school’s practices and policies, and may include interviews with persons who may have knowledge of an incident(s) under investigation. Every student is expected to provide truthful information when asked to cooperate in any investigation or review. Brebeuf retains the discretion to determine whether the conduct or activity at issue falls within the category of conduct or activity subject to this policy. In general, Brebeuf rules apply to Brebeuf students as they attend events at other schools.

INFORMATION TECHNOLOGY (IT) POLICY

Brebeuf Jesuit Preparatory School provides Information Technology (IT) tools for the benefit of its staff and students. Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. Simply, access to network services and support of those services will be provided to students who agree to act in a considerate manner.

These IT tools are to be used primarily to support teaching and learning, in accordance with the policies and guidelines contained in this document. This “Acceptable Use Policy” (AUP) addresses acceptable and unacceptable ways in which the students in our community may use our IT tools, and it addresses specific user responsibilities, rights and expectations.

However, given the rapidly changing nature of IT systems and services, the policies defined in this document cannot cover every possible situation. Therefore, in addition to the specific acceptable and unacceptable uses presented, this AUP provides general principles which shall direct the use of Brebeuf Jesuit's IT tools. Put another way, students and adults are expected to use good judgment when working in gray areas not covered explicitly by the rules.

Adherence to this policy shall be the joint responsibility of the students, parents and employees of Brebeuf Jesuit. Before an IT tools account will be assigned, a student must have the student handbook signed by the student and the student's parent or guardian.

Bring Your Own Technology (BYOT) Guidelines

Brebeuf Jesuit’s “bring your own technology” (BYOT) program enables students and adults to attach personal electronic devices to the Brebeuf Jesuit wireless network. It is our hope that students will be able to use this freedom of choice to identify and use the tools that will allow them to pursue their own personalized educational and technological experience within the Brebeuf Jesuit environment. With the convenience and capability of this privilege comes an increased responsibility on the part of community members to use tools, personal and school-owned, appropriately and with consideration of others in mind.

Students using privately owned electronic devices must follow the policies stated in this document while on school property, attending any school-sponsored activity, accessing BJPS provided resources, using the BJPS network or while interacting in real or delayed time with BJPS community members. Use of these devices gives tacit approval for school IT personnel and faculty/administrators to observe and utilize the devices to confirm compliance with school policies described.

In the classroom environment, the teacher or other designated adult is the determiner of appropriate and inappropriate use of technology. Teachers may declare technology-free times, call for the placing of technology at the front of the room or in a ready-to-use position. It is inappropriate to attempt to covertly
use technology or overtly use technology in ways that are inappropriate, not indicated by the instructor or that run counter to the educational purpose of the class (for example, texting under the desk.)

Electronic devices should be used in the building following guidelines that promote the utmost respect of decency, civilized behavior, and common courtesy. Devices should not be used to conduct audio/video conversations except in authorized areas or with the specific permission of an adult. Notifications and other alerts should be set to silent or vibrate at all times unless requested by an adult.

Use of personal or school communications tools, including but not limited to chat, telephone, e-mail, texting, social networking should follow guidelines of personal decency and decorum. Inappropriate language, harassing behavior, overtly sexual or violent behavior or innuendo is a violation of the letter and spirit of the rule and may be subject to disciplinary action.

Personal electronic devices should not be used in violation of any school policy or direction given by a classroom teacher or other Brebeuf Jesuit employee. Use of personal electronic devices for entertainment or recreational use may be severely limited by Brebeuf Jesuit IT Staff, Teachers or Administrators based on the level of distraction and/or network resources used.

Any devices used or operated in an unauthorized manner may be taken and held in the Dean’s Office until a parent or guardian picks them up and may result in the user being subject to other disciplinary consequences.

**Privileges and Acceptable Use**

We hope that students find Brebeuf Jesuit's IT tools to be useful assets that assist them in achieving their educational goals. An IT tools account grants a student access to:

- An AMDG.brebeuf.org account (powered by Google G-Suite education): This cloud-based computing technology grants all Brebeuf Jesuit students limited access to email, calendaring, document creation, collaboration, storage, and other tools).

- Productivity software (Word, PowerPoint, Docs, etc.) and various departmentally used pieces of software (such as Adobe products used in Art classes);

SAFETY

The school safety personnel conduct continuous reviews of safety/security practices. A most effective, least intrusive approach to training our staff in risk management is evident in our compulsory fire, severe weather, and “lock down” drills. Most important are the many trusting relationships among our students and staff which create valuable lines of communication.

The Indiana School Safety Academy certifies our personnel and provides a network of professional consultation allowing our staff to be apprised of best practices in safety and security. Many of our staff members have first aid certifications and are quickly accessible on any school phone. Feedback from our community concerning our emergency preparedness is always welcomed and necessary for progress.

Health Concerns

Health concerns may be cause for the Dean to require a physical examination. Students may be excluded in any and all activities until the results of examinations have been made available to the Dean. If a student must be excused from Physical Education, a doctor’s note must be presented to the teacher/administration. A student’s inability to complete the requirements of the Physical Education class may necessitate a student retaking the class at a later date.

Brebeuf Jesuit Preparatory School recognizes that to achieve a school environment free from chronic infectious diseases requires the cooperation and effort of parents, students and the school staff. In order to promote and ensure appropriate student health standards, students with chronic infections or communicable diseases may be permitted to remain in the classroom only if there is no reasonable risk of transmission of the disease to others. Parents as well as the school staff who have knowledge of or reasonable cause to believe that a student has a chronic or infectious disease have an obligation to report such a condition to the Dean. Brebeuf Jesuit will endeavor to accommodate the interests of students infected with such diseases to continue to participate in educational and other school activities, but the decision of Brebeuf Jesuit with respect to the student’s continued attendance or participation in school activities shall be final.

Drills and Alarms

During a fire or tornado drill or alarm, all are required to follow posted instructions. Students must move quickly and in silence to their assigned places.

Severe Weather Procedures

In case of anticipated heavy snow or other severe weather, announcements of a school cancellation or delayed opening will be sent via text message, posted to @brebeufjesut on Twitter; and local media outlets will be notified including: WISH-TV 8 [wishtv.com], WRTV-6 [wrtv.com], WTHR-13 [wthr.com], WTTV/WXIN [cbs4indy.com, fox59.com]. As always, the school will make the serious decision to delay/close school as soon as all necessary information is made available.
Please note that Brebeuf Jesuit does not link its school closings to Pike Township Schools. If Brebeuf Jesuit remains open and parents believe that travel conditions in their particular neighborhood are unsafe, parents should call the Dean’s Office (317.524.7118) to report their student's absence; in such cases an excused absence will be given.

In the event of a two-hour delay, classes will begin at 10:15 a.m.
