Brebeuf Jesuit Mission Statement

Brebeuf Jesuit, a Catholic and Jesuit school, provides an excellent college preparatory education for a lifetime of service by forming leaders who are intellectually competent, open to growth, loving, religious and committed to promoting justice. Fostering a culture of understanding and dialogue, Brebeuf Jesuit seeks and welcomes students from diverse religious, ethnic and socio-economic backgrounds. Students at Brebeuf Jesuit are called to discover and cultivate the fullness of their God-given talents as a responsibility and as an act of worship.

AMDG

Brebeuf Jesuit refers to this ultimate goal of their education using the Ignatian creed: “AMDG” - Ad Majorem Dei Gloriam - “for the Greater Glory of God.”

Academics

The **RIGOROUS**
ACADEMIC CURRICULUM
of Brebeuf Jesuit is
reflected in all that we do.

From the classroom to graduation requirements and the expectations set forth by teachers, our students are held to a higher standard. This higher standard is ingrained in the fabric of a typical school day at Brebeuf – through Personal Responsibility Time (PRTs), student-teacher relationships that expand beyond the classroom, and peers who consistently push each other to achieve higher. Brebeuf students never stop at “good enough” – they strive for excellence.

And, while the Brebeuf classroom can be seen as challenging, it is that challenge that elevates our students above their peers. Upon graduation, Brebeuf students are prepared, not only for the demands of college, but for the demands of the world. Students are pushed to explore their beliefs, question societal norms, and fight for their convictions. It is this knowledge of self--coupled with exceptional academic skills--that sets Brebeuf graduates up for lifelong success.

Through a culture of understanding and dialogue, students learn about the religious traditions of others around them while being encouraged to grow in, and reflect on, their own beliefs.

The Daily Examen is a prayer by which St. Ignatius, founder of the Society of Jesus, attempted to recognize the presence of God in his daily life. At the end of each school day, Brebeuf Jesuit students, faculty and staff settle themselves for a moment of prayer to reflect on their day.

In God's presence, review the events of your day. Recall the moments during this day for which you are grateful...Remember that God is in all of these moments. Now, consider the challenges you may have faced today...Remember that God is present when we face our difficulties and gives us courage, peace, and wisdom; God makes all things possible. Now, reflect on when you may have fallen short today...Recall that God helps us to understand our failings and forgives us. Finally, give thanks to God for the gift of this day...and look forward to the graces God has for us tomorrow.

With over 94% of the student body participating on at least one team during their time here, sports are ingrained in the four-year experience at Brebeuf Jesuit. In fact, over 41% of students participate as multi-sport athletes, showing that students are not forced to specialize in one sport but supported to experience multiple paths regardless of scheduling conflicts or time constraints.

Our teams encourage every interested student to be involved regardless of their experience level, but our championship records speak to the level of experience they gain during their time as teammates. Brebeuf Athletics takes

it beyond the court, field or pool, pushing students to be involved on a deeper level through programs like SALT (Student Athletic Leadership Team) and by connecting sport to faith through annual team retreats. Athletes consistently push themselves and their teammates to levels of excellence, and three Braves earned the title of "IHSAA Indiana Mental Attitude Award Winner" in 2017-2018 alone.

Being a Brebeuf Student-Athlete is about more than playing a sport. It's about being the best person you can be on and off the court.

Equity and Inclusion-sponsored events

Students are supported as they build cross-cultural awareness and understanding of global issues through club participation, domestic and international travel opportunities and experiential learning activities. Additionally, through collaboration with schools in Spain, France and Taiwan, exchange opportunities provide our students firsthand knowledge of other cultures as they build relationships with peers from across the globe.

The Brebeuf Jesuit Equity and Inclusion Program seeks to support, empower, and build relationships with students from all backgrounds. A diverse student body becomes part of the educational experience, better preparing students to work in an increasingly multicultural world, one in which local, national and international

tensions are often grounded in cultural, religious or linguistic differences.

The Brebeuf Jesuit mission statement and core values both acknowledge the place of diversity within the life of the school...Equity and Inclusion at Brebeuf Jesuit is about more than just demographics; it's about being a place where all are welcomed and affirmed as reflections of God, who is in all things. As such, Brebeuf Jesuit's equity and inclusion initiatives and programs enhance the life of the school, contributing to an open, accepting, and rich environment. The motivation to reach out to people of all kinds and in every part of the world is fundamental to the Society of Jesus. As a Jesuit secondary school, Brebeuf Jesuit continues this tradition.
