

PRE-PARTICIPATION PHYSICAL EVALUATION FORMS & REGISTRATION

The IHSAA Pre-participation Physical Evaluation (PPE) is the first and most important step in providing for the well-being of Indiana's high school athletes. The form is designed to identify risk factors prior to athletic participation by way of a thorough medical history and physical examination. The IHSAA, under the guidance of the Indiana State Medical Association's Committee on Sports Medicine, requires that the PPE Form be signed by a physician (MD or DO) holding an unlimited license to practice medicine, a nurse practitioner (NP) or a physician assistant (PA). In order to assure that these rigorous standards are met, both organizations endorse the following requirements for completion of the PPE Form:

1. The most current version of the IHSAA PPE Form must be used and may not be altered or modified in any way.
2. The PPE Form must be signed by a physician (MD or DO) holding an unlimited license to practice medicine, a nurse practitioner (NP) or a physician assistant (PA) only after the medical history is reviewed, the examination performed, and the PPE Form completed in its entirety. No pre-signed or pre-stamped forms will be accepted.
3. SIGNATURES
 - a. The signature must be hand-written. No signature stamps will be accepted.
 - b. The signature and license number must be affixed to the Physical Examination Form.
 - c. The parent signatures must be affixed to the History Form.
 - d. The student-athlete signature must be affixed to the History Form.

*Your cooperation will help ensure the best medical screening for Indiana's high school athletes.

4. The student-athlete and parent must complete the online registration at www.brebeufathletics.org -> More -> Registration -> Register For Sports
